

What You Didn't do

You didn't yell

You didn't scream

You never said

"Give up your dream"

You never made a mess
of me and you

I really like what you didn't do

I really like what you didn't do

What you didn't do

You didn't try

To make me change

You didn't chase

My friends away

You never broke my faith
in me and you

I really like what you didn't do

I really like what you didn't do

What you didn't do

You never said

"I've had enough"

You didn't leave

When times got tough

You never once gave up

On me and you

I really like what you didn't do

I really like what you didn't do

I really like what you didn't do . . .
